

Chairman's Newsletter No 4

Table Top Sale.

Another successful sale raising £636.59 for club funds. There will also be some more money coming in from the sale of goods left over from the sale. A couple of items will be going on Ebay or something similar, thank-you Dee. So the final figure may be nearer £700.

So a big THANK YOU goes out to all those that contributed to a successful sale it was a good team effort. Without the efforts of the members and their friends or other halves it would not be a success and the club would not have this financial boost to their funds.

Dinner Dance

Although I wasn't there due to a previous commitments I am told by everyone that it was a very enjoyable evening, the food was lovely and everybody had a good time. Although I understand that participating in the conger became a bit dangerous and medical attention was required by some after the event.

Well done Norman and all your helpers for the time and effort you put in making the evening so successful. Norman has started planning for next year and a date for your diary will be published as soon as it's available.

Cabaret Night

Norman has now booked Maggie London for an evening of Laughter, Live Music and Disco for Saturday 8th April 2017. More information will be provided as soon as possible. But please reserve the date in your diary and get your tickets once they go on sale.

Benches

All benches have now been adopted, thank-you, so all should be clean and tidy ready for the new outdoor bowls season next year.

Greensward Sale

The RHP Trustees have now signed the contracts and they have been passed to the buyers for them to sign.

That is all for now and I wish you all a Very Merry Christmas and a Healthy and Happy New Year.

John December 2016
